Mrs. Wilson and Mrs. Smith are sisters. Mrs. Wilson lives in a house in Duncan and Mrs. Smith lives in a condominium in Victoria. One day Mrs. Wilson visited her sister. When her sister answered the door, Mrs. Wilson saw tears in her eyes. "What's the matter?" she asked. Mrs. Smith said "My cat Sammy died last night and I have no place to bury him".

a woman crying. She began to cry again. Mrs. Wilson was very sad because she knew her sister loved the cat very much. Suddenly Mrs. Wilson said "I can bury your cat in my garden in Duncan and you can come and visit him sometimes." Mrs. Smith stopped crying and the two sisters had tea together and a nice visit.

a bus. It was now five o'clock and Mrs. Wilson said it was time for her to go home. She put on her hat, coat and gloves and Mrs. Smith put the dead Sammy into a shopping bag. Mrs. Wilson took the shopping bag and walked to the bus stop. She waited a long time for the bus so she bought a newspaper. When the bus arrived, she got on the bus, sat down and put the shopping bag on the floor beside her feet. She then began to read the newspaper. When the bus arrived at her bus stop, she got off the bus and walked for about two minutes. Suddenly she remembered she had left the shopping bag on the bus.

A man named Randy liked to hunt trees. He looked for big trees and old trees. He made maps to show where these trees were. He did not want to cut them down. He wanted people to take care of them.

Randy was told of a very tall tree on Vancouver Island. The tree was said to be 314 feet tall. That would make it the tallest tree in Canada. Randy set out to find the tree.

But someone else found it first. It was found by a logger. Loggers wanted to cut down Canada's tallest tree and all the trees around it.

Randy made a path in the forest so people could see the tall tree. The tree was so big and beautiful it would fill them with awe. More and more people wanted to save that forest. Thanks to these people, that forest is now a park. Canada's tallest tree is still there.

There may still be a bigger tree out there. Maybe you will find it. But there are only a few old forests left in Canada. Many are still at risk of being cut down.

Select the correct answer: Why did Randy make a path to the tallest tree in Canada?

- ☐ a. Measure the tree to find out how tall it was.
- ☒ b. He wanted more people to see it. ✓
- ☐ c. He made a path so he could visit the tree more easily.
- ☐ d. Take pictures of the tree.
- ☐ e. None of the others are correct
